islature can be devoted to a better purpose.

4. A Bill concerning the enacting and repealing of statutes. to and the O - Line 5. Amending Sections 489, 490, and 491 which we have not new time to of the civil code.

6. An act relative to lands forfeited for taxes. 7. Establishing the Superior Court of Montgomery county.

8. Punishing for poisoning animals. 9. Authorizing the sale of property for

And last, though by no means least, the new tax bill, allowing deductions from credits, or rather, defining credits to be the excess of claims over indebtedness. All of these bills, and especially the last drew forth able, spirited and lengthy discussion.

Aside from these bills the House hastily disposed of a subject which has occupied altogether too much time, at various pe riods, and which was constantly thrust the way of legislative business. We refer now to the Kansas resolutions. Every inch of ground was manfully contested, and every shade of opinion expressed. The resolutions, as adopted, were mild an yet firm. We shall have more to say of them hereafter. In the meantime, we inclose them for large majority, on which party lines were tightly drawn. All the loco focos voted against the first resolution, but when they

saw what a position they were placed in, all

ies, carriages, &c., on short notice, and at reas- but 13 asked leave to change their votes .-This created considerable merriment. Speaking of merriment, if ever it is grateful to men under any circumstances, an occasional ebullition is a God-send to a deliberative body of this kind, after a long, subject. The present legislature seldom inwill break out. The other day, while diswho is an excellent man, but who has a very weak voice, undertook to read, from the clerk's desk a long and dry speech. Nobody heard a sentence of it, however. The members all through the hall were engaged EDITORIAL CORRESPONDENCE. reading newspapers and conversing, when all at once Mr. Hatcher rose and interrupted Mr. Jewett, by making a motion to dispense with any further reading of the speech, and lay it on the table to be printed. But more of this hereafter.

QUAKER BOTTOM, O., March 17, 1856. Mr. Editor:—For some weeks past the is, those inexperienced in legislation, and made requiring railroad companies to have people of this vicinity have been holding who are mere lookers on, are very liable to certain printed notices placed in prominent meetings to consider matters of public intererr in regard to the rate of speed manifested places. Instantly a Senator arose, and said est, prominent among which were the moral character of "negro catching," the rights and priviliges that should be enjoyed by our ing fallen into similar errors at times, which ly. He was not aware that the printing colored population, and the condition and
